# EDGAR ARELLANO

Editor- Animator - Storyboard Artist

## EDITING EXPERIENCE

- TitanTV [Video Editor][Production Crew] January-June 2024**
- Edited multi-cam Anchor footage along with B-Roll and graphics to visually support stories for "The Report" weekly news program.
  - Helped develop format for Laugh Out Loud comedy sketch show and edited multiple segments.

- Straight Ahead Animation Podcast [Audio Editor] July 2021-Present**
- Improve the sound quality of guest and host(s) hourlong audio, and format it into segments.
  - Edit awkward pauses, mistakes, and repetitive phrasing to improve conversational flow.

- BELOW FREEZING-Animated Short Film October 2023-2024**
- Edited the initial animatic and final film, finalizing camera movements, layering sound effects, and fine tuning the pace.
  - Created and organized the shot list. Logged various file locations for each scene to keep track of multiple people's files.
  - Composited lighting and other effects in a multi-application workflow to enhance the visual style and achieve director's vision.
  - Animated 2d effects using straight ahead method to bring life to fluid materials and fantasy elements.

## OTHER EXPERIENCE

- ICOGMANIA- Video Game [Artist, Animator] Present**
- Designed the look of the environments and user interface.
  - Helped design the various character abilities and gameplay.

- Studio 105-NDA Project [2D Composer] Present**
- Composer for a series of unreleased animated musical shorts for social media.

- Studio 105-Best Worst Guy [2D Animator] July 2024**
- Animated characters and other elements on multiple shots for a music video complete with lip sync and color.

- OFF THE MENU-Live Action Short Film [Producer] August 2023-2024**
- Worked with the Director and Assistant director to organize the shot list, book locations, and schedule shoot days to the minute.
  - Functioned as an additional PA during shoot days aiding in set ups and always keeping track of equipment.
